3. What was your favorite feature on that animal? What part did you like the best?
4. How is that animal different from some of the other animals you saw today?
5. Can you remember where your favorite animal lives or what it likes to eat?
6. Do you remember if there was another animal that had features like your animal?
7. Could you find any of the animals in your back yard, or animals that are similar to the animals you saw today?
8. What was your favorite part of the Silly Safari show?
